Why don't you stay
I feel lucky today
Give me a chance
And I'll show you the way

I know someday you'll be mine
You will know too
It's a matter of time

Oh! Let me hold your hand
Please, let your heart beat again

You know I daydream of you
I'm so in love
It's too good to be true

You make me smile
As I look in your eyes
My heart is full
Like my very first time

It's like I was born again
I just can't say
How happy I am

Oh! Let me hold your hand
Please, let your heart beat again
