All my life
Is changing every day
In every possible way

And all my dreams
Is never quite as it seems
Never quite as it seems

I know I've felt like this before
And now I'm feeling it even more
Because it came from you

I know I've felt like this before
And now I'm feeling it even more
'Cause you're a dream to me

Dream to me
Dream to me
Dream to me

All my life
Is changing every day
In every possible way

And all my dreams
Is never quite as it seems
Never quite as it seems

I know I've felt like this before
And now I'm feeling it even more
Because it came from you

I know I've felt like this before
And now I'm feeling it even more
'Cause you're a dream to me

Dream to me
Dream to me
Dream to me
