Verse 1:

Living in a world
I can't control
It gets to me
I'm frightened by a change
Inside my soul
It goes through me

Bridge:

I wish you could've
Seen me as before
Don't need no heartbreak
Not any more
I wish you could've
Seen me as before

Chorus:

It's never too late
It's never too late
To start again
It's never too late

It's never too late
To build a new world

Verse 2:

Tried to tell you
Everything was fine
And I'd change
But still these
Thoughts I have
Are not my own
And you look strange

Bridge:

I wish you could've
Seen me as before
Don't need no heartbreak
Not any more
I wish you could've
Seen me as before

Chorus
