Flashlight on a disconight
Move up your body, it's alright
Flashlight on a disconight
Move up your body, it's alright

You wanna dance
I really love to
So, let's go out
It doesn't matter, anywhere

Flashlight on a disconight
Move up your body, it's alright
Flashlight on a disconight
Move up your body, it's alright

You like a place
Want something better
And I know when
Just do your one, here we come

Flashlight on a disconight
Move up your body, it's alright
Flashlight on a disconight
Move up your body, it's alright

It freaks me out
It freaks me in
I need to shout
Stay and dance, all night long

Flashlight on a disconight
Move up your body, it's alright
Flashlight on a disconight
Move up your body, it's alright

You wanna dance
I really love to
So, let's go out
It doesn't matter, anywhere

Flashlight on a disconight

Move up your body, it's alright
Flashlight on a disconight
Move up your body, it's alright
