I want you
Don't you want me?
What can I do?
Just living in a dream

How does it feel to be
Not just a number to me?
Please tell me what you mean?
Don't tell me it's only a dream

I want you
Don't you want me?
What can I do?
Just living in a dream

Wanna be loved by you
No matter what you do
Say if it's wrong or right?
Feeling you holding me tight

I want you
Don't you want me?
What can I do?
Just living in a dream

I'm in love, can't you see?
This time is real to me
Our love won't pass away
Forever it's gonna stay

I want you
Don't you want me?
What can I do?
Just living in a dream

How does it feel to you?
You really don't know what to do
How can I change your mind?
Don't leave our love behind

Babe, I can't wait no more
I'll make you mine, that's for sure

Together again we'll try
Our love will never die

I want you
Don't you want me?
What can I do?
Just living in a dream
