This morning is Monday Where are you now?
Teasin' my memory Teaching me how to lay low when I
don't want to
Your love is elusive this I know now It's making me
crazy Leaving me out
In the open When I don't want to
I don't know why you do that to me (really low, soft
volumn) go to lead
The moments of pleasures Never do last
Are gone like a suitcase full of your past Long gone,
and in a hurry

Baby, I can't go through this again
I don't need to go down More then I've already been
Just like a wild fire You're running all over town
As much as you burn me, baby I should be ashes by
now

The second street beggars alone in they life

Drunk on a sidewalk to hide from the night
Like I am They're just like I am

Baby, I can't go through this again
I don't need to go down More then I've already been
Just like a wild fire You're running all over town
As much as you burn me, baby I should be ashes by
now

Just like a wild fire You're running all over town
As much as you burn me, baby I should be ashes by
now

Aaaaaahh Aaaaaahh Should be ashes by now
