All of me, can I get nearer love? Can't you see, I'm willing to try to Love it is, oh, so near enough It's all for sale, I'm willing to cry

Going strong
Going strong
Take, take, it's me or nothing
Going strong

All of you, but how can I get enough More I need to satisfy furthermore Never could mean a lot Just tell me now, I wanna know why

Going strong

Love it is, but how can I mean a lot More or less to do or die Well, there it is, strange but true or not You for me, for you to sigh

Going strong
