As cold as it seems  
When truth brings you heartache  
It's so hard to believe  
When love hits the wall  
Love is  
My faith in you  
When it could have ended  
And your trust in me

Love is  
Everything I need to live  
Love is  
Everything that we forgive  
Love is  
Every crime of passion  
That's what love is

Where would I go  
What would I do  
What would it mean  
To meet a perfect stranger  
Why do we hurt  
Who draws the line  
When do we learn to look inside  
What love is

So many years  
You can't take for granted  
You can't take away  
All the things you are

Together so long  
I know where my heart is  
Somewhere in me (oh yes)  
I'll find a way to show

Love is

Every lesson we have learned  
Love is  
Every soft unspoken word  
Love is  
Every crime of passion  
That's what love is

Where would I go  
What would I do  
What would it mean  
To meet a perfect stranger  
Why do we hurt  
Who draws the line  
When do we learn to look inside

Everything I need to live  
Love is  
Everything that we forgive  
Love is  
Every crime of passion  
That's what love is

Love is  
Every lesson we have learned  
Love is  
Every soft unspoken word  
Love is  
Every crime of passion  
That's what love is
