White girl, in a perfect world  
You'd trust in your lover  
Will boys ever be boys again  
Blonde boy, in a perfect world you'd know if  
You loved her  
Will girls ever be girls again

Black boy, in a perfect world there'd  
Be understanding  
Still you're perfect Ã¢Ä cause you love your girl  
Black girl, in a perfect world there'd  
Be no demanding  
Still you're perfect Ã¢Ä cause you love your man

It don't make no difference  
Boys of London girls of Memphis  
We are all a revolution  
In this jaded institution

In the New York times  
To the L. A. coast  
They go bump to bump

In the perfect world  
For the perfect boy  
And the perfect girl  
They go bump to bump  
In the perfect world

Black girl, in a perfect world you'd know  
That I love ya  
And everyone would understand  
White boy, in a perfect world you'd  
Need no protection  
And love would still be something in heart

White girl, in a perfect world there'd  
Be understanding  
And boys would be boys again

Black girl, in a perfect world you'd know  
That I love ya  
And everyone would understand

It don't make no difference  
Boys of London girls of Memphis  
We are all a revolution  
In this jaded institution

In the New York times  
To the L. A. coast  
They go bump to bump  
In the perfect world  
For the perfect boy  
And the perfect girl  
They go bump to bump  
In the perfect world
