Reason

Oh theirs gotta be a reason
Behind the things that you do.

Treasons

Find me guilty of treason
Making evil out of good.

Well I pick up my life and I turn and walk away
Well I pick up my life and I turn and walk away
Pick up my life and live for everyday
Pick up my feet and I turn and walk away.

Stop!

You better stop and listen
See what tomorrow may bring
Oh well it may just bring you sunshine
And it may just bring you rain.

Oh well I pick up my life and I turn and walk away
Oh well I pick up my life and I turn and walk away
Pick up my life and live for everyday

Oh well pick up my feet and I turn and walk away.

(Guitar Solo)

Pick up my feet and I turn and walk away.
Help
You got to help yourself
To live together with your friends
Well were all using somebody
To make it in the end.

Well I pick up my life and I turn and walk away
Well I pick up my life and I turn and walk away
Well pick up my life and live for everyday
Pick up my feet and I turn and walk away
Pick up my life and live for everyday.
