Please don't turn me away, please don't leave me  
alone  
Oh I'm not asking for paradise, I just got to find me a  
home  
I said land-ho, will I be sailing forever  
Oh-oh I gotta find some shelter from the cold  
Land-ho, will I be searching forever  
Oh-oh I gotta find an anchor for my soul  
Well you may think I'm a fool, and think I'm running  
away  
But I've had enough of the city lights, oh I've got no  
reason to stay  
I said land-ho, will I be sailing forever  
Oh-oh I need some wind to help me to my goal  
Land-ho, will I be searching forever  
Oh-oh, I gotta find an anchor for my soul  
When you're alone there's not a sail in sight  
Oh it's cold and dark and there's no one there to see  
you through the night  
There once was a lady made me feel alright  
But she couldn't stay so one lonely day, she just sailed  
away  
And took away my life  
Maybe I'll always be sad, and maybe there'll always be  
strife  
Drifting alone with a saddened tone, afloat on the  
ocean of life  
I said land-ho, will I be sailing forever  
Oh-oh sometimes I feel my ship is getting old  
Land-ho, will I be dreaming forever  
Oh-oh I gotta find an anchor for my soul  
Will I be sailing forever
