Sometimes I lay down and close my eyes
Thinking about you and me
I often feel we can't go on
We fall out of harmony

There is too much
To be changed I know
But I don't want...
You to go

I love you and I find the way
Cause you have to stay
Take me back in your arms again
You feel it's no game

Nobody else could ever take your place
Cause you're a lover, you're a friend
And you mean more than the world to me
All we've been through, can't you see?

I love you and I find the way
Cause you have to stay
Take me back in your arms again
You feel it's no game

I find it hard to sleep tonight
Jealousy is running bright

There is too much
To be changed I know
But I don't want...
You to go
