(FREEK)

Yo, yo, I'm intro-duc-ing....

Big it up now!

Freek! Kenzie! Rocky! Tommy! Krazy! Wicked....Strider!

Spike-e! Melo-D! Flava! Reepa....

Yo... and the cheesemeister himself.....

The chong Darius!

(CHORUS - Darius)

I'm oozing cheese

So touch me please

I'm oozing cheese

So soothe me please

Workin' all the girlies in the house

Love flashes before my eyes

Ooh I'm oozing cheese!

(Krazy)

Cheesy smells and sexy sights

Sexy smells and cheesy sights

Rad tops and laddered tights

Laddered tops and rad tights

(CHORUS)

(Strider)

My lips are broken

His fucking token

Won't last a second in my eyes

The cheese oozes

The girls are floozies

Dancing and getting high as I (coughs) rise!

(CHORUS)

Whoa, wha'-wha'-wha'.....

The Blazers and the Daz

Feelin' da girls out on da razz

Work your stuff bitch work the tits

Transvestites in identity fits

We're rockin' rockin'
We're talkin' talkin'
Yo.....
The butters bat and her cutters cat
Rap and twist and launch out the hat

(CHORUS)

(CHORUS 2 - Blazin' Squad)
Cheese in da air
Sex in my brains
Feelin' da booty
It's starting to rain
I got da, booty booty looty looty booty looty
Uh-huh....yeah!

(CHORUS 2 to fade)
