Feelin' blue  
When I'm trying to forget this feeling  
That I miss you

Feelin' green  
When the jealousy swells and it won't  
Go away in dreams

Feelin' yellow  
I'm confused inside a little hazy but mellow  
When I feel your eyes on me

Feelin' fine, sublime  
When that smile of yours  
Creeps into my mind

Oh oh

Nobody told me it feels so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light  
You're the light  
When I close my eyes  
I'm colour blind  
You make me colour blind

Feelin' red  
When you spend all your time with your friends  
And not me instead

Feelin' black  
When I think about all of the things that  
I feel I lack

Feelin' jaded  
When it's not gone right  
All the colours have faded  
Then I feel your eyes on me

Feelin' fine, sublime

When that smile of yours  
Creeps into my mind

Oh oh

Nobody told me it feels so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light  
You're the light  
When I close my eyes  
I'm colour blind  
You make me colour blind

Blinded by the light you shine  
The colours fade completely  
Blinded by you everytime  
I feel your smile defeat me  
I'm colour blind  
I just can't deny this feelin'

Nobody told me it feels so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light  
You're the light  
When I close my eyes  
I'm colour blind

Nobody told me it feels so good  
Nobody said you'd be so beautiful  
Nobody warned me about your smile  
You're the light  
You're the light  
When I close my eyes  
I'm colour blind

(You're the light  
You're the light)  
When I close my eyes  
You make me colour blind

(You're the light  
You're the light)  
When I close my eyes  
You make me colour blind

(You're the light  
You're the light)  
When I close my eyes  
I'm colour blind.....
