I'm feeling tired  
She kept me up all night and I'm wired  
God bless cupid  
I'm walking on water  
A hundred times a day that I call her  
I'm so stupid

So many things I wanna do  
I tell her but she needs her room  
That makes me wanna get in her space

This kinda love is amazing  
Oh she makes me crazy  
I love how she never can stay  
But it's enough that she wants me  
Like her cup of coffee  
One kiss baby she's on her way  
That kinda love just makes your day

She's got an old boyfriend  
Who calls her up at 2 in the morning  
I'm so jealous  
She says that it's nothing  
That's how I know it's probably something  
I'm so helpless

A guy like me so insecure  
I never ever was before  
Somebody finally put me in place

This kinda love is amazing  
Oh she makes me crazy  
I love how she never can stay  
But it's enough that she wants me  
Like her cup of coffee  
One kiss baby she's on her way  
That kinda love just makes your day

A guy like me so insecure  
I never ever was before  
Somebody finally put me in place

This kinda love is amazing  
Oh she makes me crazy  
I love how she never can stay  
But it's enough that she wants me  
Like her cup of coffee  
One kiss baby she's on her way  
That kinda love just makes your day

This kinda love  
This kinda love  
That makes your day
