Sunrise will never feel the same
Mesmerized
And I can't escape
I just can't breathe
When you're not with me
I wish you could see
The things I've seen
But I can't control the way it goes
And I pray one day you'll know

Only you can see me when I cry
Only you can hold me like a child
Only you can make me miss
Brown eyes
Only you can love me like you do

Sunset will never feel the same
Regret is pouring like the rain
If I could hit the road and find you
Could you forget
The things you know?
How can I breathe
When I can't hold you?
How can I ever let you go?

Only you can see me when I cry
Only you can hold me like a child
Only you can make me miss
Brown eyes, your eyes
Only you can leave my heart
So bruised
Only you can change
The life I choose
Only you can love me like you do

I need you now to save me
Teach me
Forgive me now
Cause only you can reach me
Heal me
I'm holding out for you
I'm lost without you

Only you can see me when I cry
Only you can hold me like a child
Only you can make me miss
Brown eyes
Only you can love me like you do

So help me, so save me
Reach me, feel me
So hold me like a child
Only you can make me
Miss brown eyes
Only you can love me like you do

I'm coming back to you...
