Sexy sexy sexy thing
You make me wanna sing
And you don't even know me
Sexy sexy sexy thing
You make me wanna sing
And you don't even know me

Girl
Everytime I see you I'm thinking hey
She's got it in every single way
Everytime I see you walk by my window
I see you in slow mo
My heart's like a yo-yo
And do you know

You're a sexy sexy individual
You're an out of town original
You're a sexy sexy individual
And I know you know that you're beautiful

Girl
I can see that you stand out from the crowd
And I love that you're not like them somehow
I can see your reflection in my window
I watch you in slow mo
My heart's like a yo-yo
And do you know

You're a sexy sexy individual
You're an out of town original
You're a sexy sexy individual
And I know you know that you're beautiful

And its not just physical
And I wonder
If I'll see you today
And I wonder
If you're going my way
And I wonder
If you believe in fate
Cos I do

Hello
I didn't know if you knew but I work here
Thought I'd stop you before you disappeared
Hope you don't mind if I ask you your name
It might sound insane
Can I see you again ?
Again and again and again and again and again

You're a sexy sexy individual
You're an out of town original
You're a sexy sexy individual
And I know you know that you're beautiful

You're a sexy sexy individual
You're an out of town original
You're a sexy sexy individual
And I know you know that you're beautiful
You're one of a kind original
Be my sexy sexy individual
And its not just physical
