(Roger Taylor)

They're saying now it never happened
They're saying now it never happened
They're saying now it never happened
They're saying now it never happened
We gotta stop these stinking nazis

And they say that it didn't happen
What the nazis did to the jews
If they think they've a second coming
Then we got different views

We gotta stop these stinking nazis

They say now it didn't happen
They say now it didn't happen
They say now it didn't happen
They say now it didn't happen

We gotta stop these stinking nazis

What the world needs is more nazis
Like it needs a hole in the head
Your future is not safe at all
'til this disease is dead

We gotta stop these stinking nazis

They're saying now it never happened
They're saying now it never happened
They're saying now it never happened
They're saying now it never happened

We gotta stop these stinking nazis

Yeah!
