(Roger Taylor)

Don't have much education
Not much anyhow
Just believed what they told me
And oohee, leak at me now
There must be more to life than this bum deal
Same direction somehow
Same kind of a reason
Yeah, I wanna know

Tell me where are you now?
Tell me where are you now?

Don't have much of religion
Not much anyhow
Don't have much to look up to
We killed all your sacred cows
Just trying to file a flight plan
Need some direction, need it now
Same kind of a reason
Yeah, I wanna know

Tell me where are you now (that we need you)?
Tell me where are you now?

You don't have to be, you don't have to seem
You don't have to scream, for any big deal (for
yourself)
You don't have to bleed, you don't have to believe
You don't have to pretend to know what's right, or
what's real

Tell me where are you now (we need you)?
Where are you now?
Tell me where are you now?
Tell me where are you now (that we need you)?
