Emotions I feel (My emotions)  
Emotions are real (So real)  
Â'Cause you are my love

ItÂ's you and me tonight (Shoo doo doo doo dee doo doo doo)  
Just let me hold you tight (Shoo doo doo doo dee doo doo doo)  
No one could make me feel  
True love the way you do (Ooh...IÂ'm in love with you)

LetÂ's make love tonight (Shoo doo doo doo dee doo doo doo)  
Just let it flow tonight (Sweet love)  
I know itÂ's time to let you know why I feel this way  
Girl, my itÂ's my emotions that make me feel this way

Emotions I feel (My emotions)  
Emotions are real (So real)  
Â'Cause you are my love

Girl, just close your eyes (Shoo doo doo doo dee doo doo doo)  
Lay here by my side (Shoo doo doo doo dee doo doo doo)  
No one can make me feel the way I feel when IÂ'm with you (Ooh...IÂ'm so into you)

My love just grows and grows (Shoo doo doo doo dee doo doo doo)  
I never wanna let you go (Never, ooh...)  
The only thing I wanna do, share my life with you  
Girl, itÂ's my emotions that keeps me here with you

Emotions I feel (My emotions)  
Emotions are real (So real)  
Â'Cause you are my love (So let me express myself)

You know IÂ've been spendinÂ' quite a bit of time  
ThinkinÂ' about my emotions  
ThereÂ's been a lot of love and thereÂ's been a lot of pain

And I wanna be honest  
Many times I just wanted to walk away  
But I couldn't  
And many times I thought you would walk away  
But you stayed right here by my side  
And girl, that's how I really know  
That my emotions are so real  
Let it flow

Emotions I feel (My emotions)  
Emotions are real (So real)  
'Cause you are my love (Love me, love me all night  
long)

Just you and me (Just you and me)  
Just me and you (Just me and you)  
Just you and me (Just you and me)  
Just me and you (Love me all night)

Just you and me (Just you and me)  
Just me and you (Just me and you)  
Just you and me (Just me and me and lovin', baby)

My emotions (My emotions)  
My emotions (My emotions)  
My emotions (My emotions)  
My emotions (My emotions)

My emotions (My emotions)  
My emotions (My emotions)  
My emotions (My emotions)
