Hey Lady...  
Let me tell u why  
I can't live my life without u (Awww baby)  
Everytime I see u walkin by I get a thrill  
U don't notice me but in time you will  
I must make u understand

Chorus-  
I wanna be your man (I gonna be Your Man)  
I wanna be your man ( Yes I do baby )  
I wanna be your man ( I wanna be your man )  
I wanna be your man (I wanna be your man)

U better not pass me by...  
Cuz if you do, u'll loose a good thing (oooooh Baby)  
Cuz what I've got to say is sealed with a kiss  
And a wedding ring (wedding ring)  
My mind is blind at times I can't see anyone but you  
Those other girls don't matter no they can't spoil my  
view  
I must make u understand...

(Chorus x2)

Words can never say what I feel  
It's too intense  
Oh oh oh oh oh oh oh oh ohhhhhh  
I tried I tried I tried I tried to tell u how I feel  
But I get mixed up (soooooo mixed up)  
My mind is blind at times I can't see anyone but u  
Those other girls don't matter no they can't spoil my  
view  
I must make u understand...

(Chorus until songs fades out)
