Hello

Is there anybody in there?

Just nod if you can hear me

Is there anyone at home?

Come on, now

I hear you're feeling down

Well, I can ease the pain

And get you on your feet again

Relax

I need some information first

Just the basic facts

Can you show me where it hurts?

There is no pain, you are receding

A distant ship's, smoke on the horizon

You are only coming through in waves

Your lips move but I can't hear what you're sayin'

When I was a child, I had a fever

My hands felt just like two balloons

Now I've got that feeling once again

I can't explain you would not understand

This is not how I am

I have become comfortably numb

I have become comfortably numb

Okay

Just a little pinprick

There'll be no more, ahh

But you may feel a little sick

Can you stand up?

I do believe it's working, good

That'll keep you going through the show

Come on it's time to go

There is no pain, you are receding

A distant ship's smoke on the horizon

You are only coming through in waves
Your lips move but I can't hear what you're sayin'

When I was a child, I caught a fleeting glimpse
Out of the corner of my eye
I turned to look but it was gone
I cannot put my finger on it now

The child is grown, the dream is gone
I have become comfortably numb
