The powers that be
They like a tough game
No rules
Some you win
Some you lose
Competition's good for you
They're dying to be free
They're the powers that be
They like a bomb proof cadillac
Air conditioned
Gold taps
Back seat gun rack
Platinum hub caps
They pick horses for courses
They're the market forces
(background : Nice car Jack)
They like order
Make-up
Lime light power
Game shows
Rodeos
Star wars
TV
They're the powers that be
If you see them come
You better run
Run
You better run on home
Sisters of mercy better join your brothers
Put a stop to the soap opera right now
They say the toothless get ruthless
You better run on home
You better run
Run
You better run on home
The powers that be
They like treats
Tricks
Carrots
And sticks
They like fear and loathing
They like sheep's clothing

And blacked-out vans
Blacked-out vans
Contingency plans
They like death or glory
They love a good story
They love a good story
Sisters of mercy better join with your brothers
Put a stop to the soap opera state
They say the toothless get ruthless
Run home before it's too late
You better run
Run
You better run on home
You better run
[Billy:] "Goodnight, Jim."
[Jim:] "Goodnight, Billy."
[Uncle David's Great Dane:] "Woof, woof, woof!"
[Paraquat Kelly:] "Bull heads, three red snapper, one
pink snapper
And your Pacific coastal trench hosemonster fish."
[Cynthia Fox:] "Ohhh!
At Sky David's juke joint of joy reports
Forty under the console giggle stick ling cod
Twenty-three purple perches
Four sledgehammerhead sharks
And what a surprise
Eightyfour crabs, and no red snappers."
[Paraquat Kelly:] "Hey, and that'll do for the triumphant
return
Of the fish report with a beat."
[Jim:] "We think of it as mainstreet
But to the rest of the country
It's Sunset Strip
You're listening to KAOS in Los Angeles."
