The powers that be  
They like a tough game  
No rules  
Some you win  
Some you lose  
Competition's good for you  
They're dying to be free  
They're the powers that be  
They like a bomb proof cadillac  
Air conditioned  
Gold taps  
Back seat gun rack  
Platinum hub caps  
They pick horses for courses  
They're the market forces  
(background : Nice car Jack)  
They like order  
Make-up  
Lime light power  
Game shows  
Rodeos  
Star wars  
TV  
They're the powers that be  
If you see them come  
You better run  
Run  
You better run on home  
Sisters of mercy better join your brothers  
Put a stop to the soap opera right now  
They say the toothless get ruthless  
You better run on home  
You better run  
Run  
You better run on home  
The powers that be  
They like treats  
Tricks  
Carrots  
  
And sticks  
They like fear and loathing

They like sheep's clothing  
And blacked-out vans  
Blacked-out vans  
Contingency plans  
They like death or glory  
They love a good story  
They love a good story  
Sisters of mercy better join with your brothers  
Put a stop to the soap opera state  
They say the toothless get ruthless  
Run home before its too late  
You better run  
Run  
You better run on home  
You better run  
[Billy:] "Goodnight, Jim."  
[Jim:] "Goodnight, Billy."  
[Uncle David's Great Dane:] "Woof, woof, woof!"  
[Paraquat Kelly:] "Bull heads, three red snapper, one  
pink snapper  
And your Pacific coastal trench hosemonster fish."  
[Cynthia Fox:] "Ohhh!  
At Sky David's juke joint of joy reports  
Forty under the console giggle stick ling cod  
Twenty-three purple perches  
Four sledgehammerhead sharks  
And what a surprise  
Eightyfour crabs, and no red snappers."  
[Paraquat Kelly:] "Hey, and that'll do for the triumphant  
return  
Of the fish report with a beat."  
[Jim:] "We think of it as mainstreet  
But to the rest of the country  
It's Sunset Strip  
You're listening to KAOS in Los Angeles."
