[Jim:] "You're from the valley?"

[Billy:] "No, Jim you schmuck, the Valleys, Wales;

Male voice choirs" [Jim:] "Wales! Now is this sperm or blue-tip?"

[Billy:] "Ha, ha, ha, ha. Very funny Jim."

[Jim:] "Sorry."

[Billy:] "Me and Benny went out."

[Jim:] "Who's Benny?"

Me and Benny went out last night

Looking for fun

Supping ale in the moonlight

Waiting for the dawn to come

Benny pointed at a HiFi shop

He said, hey man, look at all the stuff they've got

How'd you make a have out of a have not

Who needs information

When you're working underground

Just give me confirmation

We could win a million pounds

Benny climbed up on a footbridge

And he teetered on the parapet

He said, can you see the whites of their headlights

Are they coming yet

Who needs information

This high off the ground

Just give me confirmation

We could win a million pounds

Who needs information

When you're living in constant fear

Just give me confirmation

There's some way out of here

Some way out of here

Some way out of here

Some way out of here

Some way out of here

Some way out of here

Some way out

Benny hefted a breeze block

And tried to let go
Got hung up on a tear drop
So me and Benny went home

Who needs information
When you're living in constant fear
Just give me confirmation
There's some way out of here
Some way out of here
Some way out of here
Some way out of here
Some way out of here
Some way out of here
Some way out

Who needs information
Yeah
When you're living on borrowed time
Just give me confirmation
There will be a winner this time
Who needs information
When you're working underground
Just give me confirmation
We could win a million pounds
Who needs
Who needs
Who needs information
This high off the ground
Just give me confirmation
We could win a million pounds
[Jim:] "Um. (lights a cigarette)
So your brother's in jail?"
