Arrivederci Roma
Goodbye, goodbye to Rome
City of a million moonlit places
City of a million warm embraces
Where I found the one above the faces far from home
Arriverderci Roma
It's time for us to part
Save the wedding bells for my returning
Keep my lover's arms outstretched and yearning
Please be sure the flame of love keeps burning in her
heart

Arriverderci Roma
It's time for us to part
Save the wedding bells for my returning
Keep my lover's arms outstretched and yearning
Please be sure the flame of love keeps burning in her
