Glad I Found U

When i think of you late at night
Sure would like to be here with you
Holding you so very tight
Aw i want you boo
Thinking of your hair
Rubing my
Hands everywhere
Holding you so tight
All through the night
I know it hurt sometimes
If we dont see each other
But i know if we keep it tight
Well be here forever

Glad, that i found u
Glad, i have you girl

Glad, that i have u
Im so glad

Taking time out a day
To give a call to you to say
That i miss you so
Oh
Dont ever let it go
I know that real things abound
When being true
To your feeling
And let it go all the way
For you my baby
I know it hurt sometimes
If we dont see each other
But i know if we keep it tight
Well be here forever

Glad, that i found u

Glad, i have you girl
Glad, that i have u
Im so glad
