If I said I was Abel  
Would you know my name?  
I've swung from the trees in the Garden of Eden  
And I have shorn off my mane

I've got no horns sticking out  
I've got no sting in my tail  
I've got no sins to pluck out  
Because I do so well  
And maybe I can raise the stakes

For the love of Cain  
For the love of Cain  
We'll dissolve our schemes  
And indulge our dreams  
For the love of Cain

If you look out your window  
With your Sunday smile  
If you walk hand in hand through the Valley of Evil  
You walk the miracle mile

I just need someone to love  
Straight from the cradle to the grave  
Maybe it's you I'm thinking of  
Because I know your game  
And maybe I can raise the stakes

For the love of Cain  
For the love of Cain  
We'll dissolve our schemes  
And indulge our dreams  
For the love of Cain
