[Lyrics: Michael Vescera, Roland Grapow]

You've been caught in time
In a haze of shattered dreams
So lost and paralysed
You can't shake off this disease

You don't know, you won't show any kind of true
emotions
Why should we waste our time you throw away

What a fool, you're too cruel
I'm mesmerised, you're such a fool
What twisted lies that you are living in
Just wake up, are you blind
Try to be a little kind
You might just find it's in you're hands the hidden
answer too

Now take one good luck
At yourself and you might see or you'll see
What are you waiting for
Oh, now it just may set you free

We don't know how to show you this kind of true
emotions
How could you waste our time another day

What a fool, you're too cruel
I'm mesmerised, you're such a fool
What twisted lies that you are living in
Just wake up, are you blind
Try to be a little kind
You might just find it's in you're hands the hidden
answer too

[SOLO]

We don't know how to show you this kind of true
emotions
Why should we waste our time you throw away

What a fool, you're too cruel
I'm mesmerised, you're such a fool
What twisted lies that you are living in
Just wake up, are you blind
Try to be a little kind
You might just find it's in you're hands the hidden
answer
Just try and find it's in you're hands the hidden answer
If you just find it's in you're hands the hidden answer
too
