[Lyrics: Roland Grapow]

I don't need a helping hand from some like you  
Even if I slip away and tumble  
All the lies you told me on and on  
Behind your mask is really something wrong

Now I believe in my own way  
Please let me go, why should I stay?  
You should see my sign which is your desire  
If not you must walk on fire

Please don't tell me your view 'bout what's wrong or  
right  
Do you really know what's going on?  
Rest in peace and walk away from my side  
If you need a real friend buy a dog

Now I believe in my own way  
Please let me go, why should I stay?  
You should see my sign which is your desire  
If not you must walk on fire

Walk on  
Walk on fire  
Walk on  
Walk on fire

[SOLO]

Now I believe in my own way  
Please let me go, why should I stay?  
You should see my sign which is your desire  
If not you must walk on fire

Walk on  
Walk on fire  
Walk on  
Walk on fire  
Fire, fire
