I like Tupac Shakur, Snoop Dogg and Biggie, and old
Run D M C.

I like all those heavy rappers, and I like to watch M T V.
I like the way they walk, the way they talk, with all those
tough cliches'

All those thugs and women, and partyin' every day.
Cause I need some mo' juice, the freeflow is loose, with
MC and L cool Jay.

I'll take a ice cube, with a ice tea, and ice dogg, all the
way.

Chorous

The Beamers and Caddys and drivebys are gettin me
down.

While Cold Cut and Cowboy and Eminem scratchin' that
sound.

The OJ's and PO's in the PJ's keep followin' me.

Guess I'll jet out to Jamaica, and marinate till I can be
free.

Instrumental one verse

I like Scarface, and Screwball, and 3-D and Q-ball, the
boys don't' never lie.

All the other kinda music, makes me wanna lay down
and die.

So pop top a flip top, I'm crazy for J Z, and P Dogg, and
Pee wee, and Pinky,

And Missy, and Redman, and JJ, and Y NOT and X-Ray,
ya can't beat Ole Fat

Joe. Some waxin' n scratchin', an a six pack of deuces
to go.

Instl on bridge

The Wiggers are wacky, the oreos tacky, but i'm still
not D O A.

Just a giggy dog, with lots of cheese, and I stay bent
every day.

I like Tupac Shakur, Snoop Dogg and Biggie, and ole
Run D M C,

I like to rap, and I like to watch M T V.
