I don't wanna watch no TV. I don't wanna wear no
diamond stone. I don't wanna play, another no show.
What can I say? Have a nice day.
The mornin' is a zoo. Ain't it too much. How do you
look? It's a nice touch. I like the way you tease, with just
a little sleeze. What can I say?
Have a nice day.
Talk is cheap. Walk the walk. It don't matter, what they
say. I don't care about what they do. Look at your self
inside. There never gonna let you slide.
When you get inside your world it's quasi-existential.
Stop and look your world inside it's extacy
essential.(instl brk)
I just wanna listen to the radio. I don't wanna talk to an
answering machine. Call me on the phone. Don't pollute
the bay.What can I say? Have a nice day.
When I drive I like to wear seatbelts. I don't wear no
after shave colonge. Call my private number. Give the
dog a bone. What can I say? Have a nice day.
