The good things in life are free,  
Like a favorite melody.  
Life IS A Song. So sing along in paradise.  
Now is the time to know.  
The luxury life can bestow.  
This is the day, to take it away forever.  
There's not very much we can do.  
It's merely a trifle taboo.  
Let you hair fall to the ground.  
Your Finally coming around, so girlfriend no need to  
delay.  
Why wait for one more single day.  
Always keep singing along.  
Remember that Life Is A Song.  
Instrumental  
Spoken verse. end
