You gotta have a Work Song. A song to help you make
it Through the day.
You gotta have a Work Song. A song we can sing along
while we work and pray.
You gotta have a Work Song. A song so that Jesus can
help you find a way.
We've made up our mind. We're gonna make it work
this time.
May the good lord hear us singing through the day.
You gotta have a Love Song.
So you can walk through the fields and the valleys, hills
and plains,
You gotta have a Love Song.
A song to make you feel good when it rains.
You gotta have a Love Song.
When your laughing and crying and livin' and feelin' no
pain.
Cause the Love Jesus gave. You and I we will be saved.
And the promise that he made won't be in vain.
Chorus
When the cold cold winter wind blows through my soul.
I remember how he died on Gallilee.
To live and die for Jesus is my only goal.
All I ask is that you pray for me.
You gotta have a praise song.
A song to make you jump, shout and sing.
You gotta have a praise song.
Let the good times roll, Lord let the church bells ring.
You gotta have a Praise song.
A song to fly like a Angel on the wing.
Cause the Love that Jesus gave.
You and I we will be saved.
And the promise that he made won't be in vain.
