All I want is my baby woah woah, woah woah woah
woah

Every place I go, always reminds me
All the times we had, are now behind me

All I want is my baby woah woah, woah woah woah
woah

So you told me, I didn't believe you,
I thought I had it made, but now you're leavin'

All I want is my baby woah woah, woah woah woah
woah

People ask me, "Where are you going?"
I'm always astounded, have no way of knowin'

All I want is my baby woah woah, woah woah woah
woah
