IT'S ALL OVER NOW

Well, baby used to stay out all night long,
she made me cry, she done me wrong.
She hurt my eyes open, that's no lie.
Tables turning, now her turn to cry
because I used to love her
but it's all over now.

Well, she used to run around with every man in town,
spent all my money playin' a high-class game.
She put me out, it was a pity how I cried.
The tables turning now her turn to cry.
because I used to love her
but it's all over now.

Well, I used to wake the morning, get my breakfast in
bed,
when I gotten worried she could easy my aching head.
But now she's here and there with every man in town
instead of tryin' to take me for that same old clown
because I used to love her
but it's all over now.

Because I used to love her
but it's all over now.

Because I used to love her
but it's all over now.
