Well c'mon everybody and let's get together tonight
I got some money in my jeans and I'm really gonna
spend it
right
Been a-doin' my homework all week long
now the house is empty the folks are gone
Ooo C'mon everybody

Well my baby's number one but I'm gonna dance with
three or
four
And the house'll be shakin' from my bare feet slapping
the
floor
When you hear that music you can't sit still

If your brother won't rock then your sister will
Ooo C'mon everybody

Well we'll really have a party but we gotta put a guard
outside
If the folks come home I'm afraid they gonna have my
hide
There'll be no more movies for a week or two
No more runnin' 'round with the usual crew
Who cares C'mon everybody
