Fingerprint file, you got me down
Keep me runnin', know my way around
Fingerprint file, you got me down
Keep me runnin', know my way around

Know my habits, way ahead of time
Listening to me on your satellite, yeah

Fingerprint file, you got me down
Keep me runnin', know my way around

Keep on lookin', feelin' tagged
Crossin' water, tryin' to wipe my tracks

And there's some little jerk in the FBI
Keepin' papers on me six feet high
It gets me down, it gets me down, it gets me down
Well, it gets me down, it gets me down

Who's the man on the corner
Yeah that corner, that corner over there

Fingerprint file, you got me down
Keep me runnin', know my way around

Keep a look on, on your telephone
Wrong number, baby, they know you ain't home

And there's some little jerk in the FBI
A keepin' papers on me six feet high
It gets me down, it gets me down, it gets me down
It gets me down

Hello, baby
Ah, yeah, you know, we ain't, we ain't talkin' alone
Who's listenin'? I don't really know
But you better tell the SIS to keep out of sight

I know, they're takin' pictures on the ultraviolet light
You now I ain't right, oh yeah, alright
Yeah, I know babe, but these days it's all secrecy and
no privacy

Oh, good night honey, sleep tight
