That's all right
That's all right
That's all right

Sometimes you felt the trouble
Sometimes you felt down
Let this music relax your mind
Let this music relax your mind

Stand up and be counted, yeah
Can't get a witness
Sometimes you need somebody
If you have somebody to love
Sometimes you ain't got nobody
And you want somebody to love, all right

Then you don't want to walk and talk about Jesus
Just want to see His face
You don't want to walk and talk about Jesus
Just want to see His face

Just want to see His face
Just want to see His face
Just want to see His face
Just want to see His face
