The stars in your eyes sets my soul on fire
Your voice is like an angel above me
The touch of your hand drives me insane
But baby, I want to be loved

I'm crazy 'bout every little thing you do
I cherish the way you hug me
Your kiss so sweet, honey, it can't be beat
But baby, I want to be loved

Every time I ask you for a date
You don't come at all or you're mighty late
I ask you to dance, take a little spin
You say, "Wait a minute, daddy, here come's my friend"

I love the way you walk when you pass me by
And even when you try to snub me
You kiss me, baby when you give me the eye
But baby, I want to be loved, alright

Yeah, every time I ask you for a date
You don't come at all or you're mighty late
I ask you to dance, take a little spin
You say, "Wait a minute, daddy, here come's my friend"

I love the way you walk when you pass me by
And even when you try to snub me
You kiss me, baby when you give me the eye
But baby, I want to be loved
