I warned you baby from time to time
You don't listen so pay me no mind
About movin' on
Yeah IÂ'm a moving on
I'm through with you
Too bad you're blue
IÂ'll move on

Mister Engineer with your throttle in hand
Take me back to that Southern land
It called moving
Keep a rolling on
You're flying too high
For my old sky
IÂ'll move on

Mister Fireman please woncha listen to me
I got a woman in Tennessee
Keep on moving
Keep a rolling on
You're flying too high
It's all over now
I move on

Yes IÂ'm gonna move
IÂ'm gonna move
Said IÂ'm gonna move
Gotta go home
I gotta go home
I gotta go home
Well tell ya
I I I going home
I I I going home
I I I going home
IÂ've gotta go home
IÂ've gotta go baby
I gotta keep rolling
And IÂ'm gonna move
I said IÂ'm gonna move baby
I said goin goin home
IÂ'm going home darling
