I look out my window, watch her as she passes by
And I say to myself, I'm such a lucky guy
To have a girl like her is a dream come true
And of all the girls in New York, she loves me true

(That's it)
It was just my imagination
(Once again)
Running away with me
It was just my imagination
Running away with me

Soon we'll be married and raise a family
Two boys for you, what about two girls for me?
I tell you I, I'm just a fellow with a one track mind
Whatever it is I want baby, I seek and I shall find

(I'll tell you)
It was just my imagination
(Once again)
Running away with me
It was just my imagination
Running away with me

Every night I hope and pray
Dear Lord, hear my plea
Don't ever let another take her love from me
Or I will surely die

Her love is ecstasy
When her arms enfold me
I hear her tender rhapsody
But in reality, she doesn't even know me

Just my imagination
Running away with me
It was just my imagination
Running away with me

(I'll tell you)
It was just my imagination
(Once again)

Running away with me
It was just my imagination
Running away with me

Just my imagination
(Once again)
Running away with me
(Everyday)
Just my imagination
Running away with me
Running away with me

Run away
Run away
Run away
Run away
Run away
Run away, huh
Running away with me
Running away with me
Running away with me
Running away with me
Run, run
Running away with me
Running away with me
Run, run huh
