You said you were hurtin'
You almost lost your mind
The man you love
He hurts you all the time

When things go wrong
Wrong with you
It hurts me too

He loves another woman
But I love you
But you love him
I don't know what to do

When things go wrong
Wrong with you
It hurts me too

You love him more
When you should love him less
Why sneak up behind him
And take his mess?

When things go wrong
Wrong with you
It hurts me too
It hurts me too
Play your heart out

Now, he'd better leave you
Or you should put him down
I just can't stand
To see you pushed around

When things go wrong
Wrong with you
It hurts me too

So goodbye, baby
I've got to leave you now
I'm gonna pack my bags
And move on down the line

When things go wrong with you
When things go wrong
So wrong with you

When things go wrong
Wrong with you
It hurts me too
It hurts me too
