She's sweet and tender, but I remember  
The girl I once knew, made me feel so blue  
She loves me madly, I treat her badly  
'Cause girl, it should be you, it should be you  
It should be you, it should be you...

I went all wrong, when you were gone  
It seems ashamed, but I'm to blame  
She loves me madly, I treat her badly  
'Cause girl, it should be you, it should be you  
it should be you, it should be you...

What can I do to win her back  
She kisses me but it's not the same

I'm broken hearted, since we parted  
I wanna pick up, from where we started  
She loves me madly, I treat her badly  
'Cause girl, it should be you, it should be you  
It should be you, it should be you...
