The keys to your love
I've got the keys to your love

No matter where I go baby, no matter what I do
I spend my whole life, honey, just thinking of you
Yeah, it don't seem to matter, who's right and who's
wrong
I want to tell you how I feel now, in the words of this
song

Want to know baby put a spell on you
Now there ain't nothing that you're gonna do

I got the keys to your love
I got the secret of your heart
No matter where you go, baby
We're not too far apart

I've got the keys to your love
I've got the secret of your heart
No matter where the heart is
We're not too far apart, yeah

Now try to lock me out, I can always get in
I got every permutation, every code and every pin
I'm so crazy about you, yeah, that's the word on the
street
Yeah, I bet you heard all about it from the people you
meet

You know baby, I put a spell on you
Can't take it off now, there ain't nothing you can do

I got the keys to your love
I play the keys of your heart
It sounds so sweet, baby
Won't stop once I start

I got the keys to your love
I got the secret of your heart
No matter where you go baby
We're not too far apart

You're all that I got
Without you, baby, my life's kind of shot
I look for your face
'Cause no one else could fill this space

Watch out baby, I put a spell on you
You can't resist it, I just hoodoo you

I got the key to your love
I got the secret of your heart
No matter where I go, baby
We're not too far apart

No matter where I go, baby
No matter where I go, sugar
I got the key to your love, baby

Keys to your love
Keys to your love
Keys to your love
Keys to your love
Keys to your love
