Let's spend the night together

Now don't you worry 'bout what's on your mind, oh no  
I'm in no hurry, I could take my time, oh no

I'm going red and my tongue's gettin' tied  
(Tongue's gettin' tied)  
I'm off my head and my mouth's gettin' dry  
I'm high but I try try try

Let's spend the night together  
Now I need you more than ever  
Let's spend the night together now

I feel so strong, I can't describe, oh no  
But I just won't apologize, oh no  
I'll satisfy your every need  
(Every need)  
And I would know you'll satisfy me

Let's spend the night together  
Now I need you more than ever  
Let's spend the night together now

Let's spend the night together  
Now I need you more than ever  
Let's spend the night together  
Let's spend the night together  
Now I need you more than ever

You know I'm smilin', baby  
You need some guidin', baby  
I'm just decidin', baby, now

I need you more than ever  
Let's spend the night together  
Let's spend the night together now, yeah

I feel so strong, I can't describe, oh no  
But I just won't apologize, oh no  
I'll satisfy your every need  
(Every need)

And I would know you'll satisfy me  
Oh my my my my my

Let's spend the night together  
Now I need you more than ever  
Let's spend the night together now

Let's spend the night together  
Now I need you more than ever  
Let's spend the night together now
