Tried to trail you last night, baby  
Trail you in my car  
But I was afraid of  
What I was looking for

And little by little  
I'm losin' my love for you  
Yeah, little by little  
I've found out you was untrue  
Alright, Keith, come on, now

Well, I try not to bear a grudge  
A girl's gonna hitch a ride  
Things ain't been the same  
Since my mother died

Yeah, little by little  
I'm losin' my love for you  
Yeah, little by little  
I've found out you was untrue  
Get outta here
