She's my little rock n' roll
She's my little rock n' roll, babe

The heat's raidin', the track's fadin'
Joints rockin' could be anytime at all
But the bitch keeps bitchin'
Snitcher keeps snitchin'
Droppin' names and telephone numbers and all

She's my little rock n' roll
She's my little rock n' roll

The scars healin'
But the dealers squealin'
The pool's in but the patio ain't dry
Well the sense is sensin'
That the juice keeps pumpin' and I know why

She's my little rock n' roll
My tits and ass with soul baby
She's my little rock n' roll

She's my little rock n' roll
You got to shock them, show them
She's my little rock n' roll, yeah
Shock, shock, shock, oh my, my, my

Well the sense is sensin'
That the juice keeps pumpin' and I know why

The bitch keeps bitchin'
Snitcher keeps snitchin'
Droppin' names and telephone numbers and all

She's my little rock n' roll
My tits and ass with soul baby
She's my little rock n' roll, yeah

You got to shock them, show them
She's my little rock n' roll
She got a feelin' to know, baby
She's my little rock n' roll, babe

Ah, the little bitch got soul

She's my little rock n' roll
Shock them, show them
She's my little rock n' roll, yeah

She's my little rock n' roll
My tits and ass with soul honey
She's my little rock n' roll, baby

And she says, it's so
She's my little rock n' roll
