I say hey, Mona
Oh, Mona
I say yeah, yeah yeah yeah, Mona
Oh, Mona

I tell you, Mona, what I wanna do
I'll build a house next door to you
Can I see you sometimes?
We can go kissing through the blinds

Yeah, can I come out on the front
And listen to my heart go bumpety bump?
Need you, baby, that's no lie
Without your love I'd surely die

I say hey, hey Mona
Oh, Mona
I say yeah, yeah yeah yeah, Mona
Oh, Mona

I say hey, hey Mona
Oh, Mona
I say yeah, yeah yeah yeah, Mona
Oh, Mona

I tell you, Mona, what I wanna do
Gonna build a house next door to you
Can I see you sometime?
We can go kissing through the blinds

Yeah, can I out come out on the front
And listen to my heart go bumpety bump?
Need you, baby, that's no lie
Without your love I'd surely die

I say hey, hey Mona
Oh, Mona
I say yeah, yeah yeah yeah, Mona
Oh, Mona
