What a drag it is getting old  
"Kids are different today,"  
I hear ev'ry mother say  
Mother needs something today to calm her down  
And though she's not really ill  
There's a little yellow pill  
She goes running for the shelter of a mother's little  
helper  
And it helps her on her way, gets her through her busy  
day

"Things are different today,"  
I hear ev'ry mother say  
Cooking fresh food for a husband's just a drag  
So she buys an instant cake and she burns her frozen  
steak  
And goes running for the shelter of a mother's little  
helper  
And two help her on her way, get her through her busy  
day

Doctor please, some more of these  
Outside the door, she took four more  
What a drag it is getting old  
"Men just aren't the same today"  
I hear ev'ry mother say  
They just don't appreciate that you get tired  
They're so hard to satisfy, You can tranquilize your  
mind  
So go running for the shelter of a mother's little helper  
And four help you through the night, help to minimize  
your plight

Doctor please, some more of these  
Outside the door, she took four more  
What a drag it is getting old

"Life's just much too hard today,"  
I hear ev'ry mother say  
The pusuit of happiness just seems a bore  
And if you take more of those, you will get an overdose  
No more running for the shelter of a mother's little

helper

They just helped you on your way, through your busy  
dying day
